OUR PRODUCTS

The range of our products is crafted using high quality natural ingredients like herbs, essential oils and botanical extracts sourced sustainably & ethically. Our products are devoid of harmful chemicals such as sulphates and parabens etc.

We tend to be gentle to our mother nature! We do not involve sacrifice of animals while performing tests on our products. Furthermore, we tend to extend our love and care to nature by ensuring use of naturally degradable and nature friendly packaging materials.

WE CARE

We believe that a memorable visitor experience is the aim of every guest facility. We extend our commitment to all our facility partners towards maximizing their guest satisfaction while using our products.

We focus on providing not just physical benefits but also mental and spiritual well-being aligning the ayurvedic principles of balancing body, mind and spirit.

WE CREATE

Just like a culinary expert handpicks new elements for any dish, we plan and evolve our merchandise with thoroughness. Upheld by science-driven approach all our products are required to pass laid down standards and reference criteria.

The development of each items begins with its excursion in our lab and is then created to satisfy required touch and feel outcomes.

OUR PARTICIPATION

While caring for the world around us, it is our constant endeavor to maintain transparency and integrity, along with highest standards.
